MORE CHANCES TO WIN COOL PRIZES!

- Book Reviews:** Complete a book review when you log the books you have read, or pick up a book review form at your local library to be eligible. Each time you submit a book review, you are entered to win a weekly drawing. Drawings begin Thursday, June 18.
- Grand Prize:** Attend teen Summer Reading Program Special Events to earn chances to win the grand prize. The more programs you attend, the more times you are entered! At the end of the summer reading program, one lucky teen at each branch will win a tablet!
- Online Scavenger Hunt** – Complete weekly scavenger hunt challenges by locating items on the library’s website or catalog. Each time you complete a challenge, you are entered into the Grand Prize drawing! Good luck!

## Special Events

**Robotics Demonstration** – local teen robotics champions will demo their bot and talk about their experience. Team members Devin Jewell and Caleb Smyth will describe how they designed and built a robot that can function and complete a series of challenges. Robotics can be a launching pad into a career in the technical world. Learn how you can get involved.

**Be Your Own Hero: Learn the Art of Self-Defense** – Martial Arts coach Chris Manuel will teach the basics of self-defense and personal safety. Wear comfortable clothes and come prepared for a great workout! Registration is required and begins June 1.

**Babysitting Safety and First Aid Workshop** – Be the neighborhood babysitting hero! Learn about caring for infants and toddlers, responding to choking, applying chest compression, and more. Mannequins and infant dolls will be provided for students to practice on. Registration is required and begins June 1. Limit—12 participants per location.

**Superhero Catapult** – Are you obsessed with knocking down structures? Build a super catapult and knock down villains. Blends fun with engineering and physics.

**Origami** – Teen origami expert Ben Grant will teach fun paper folding patterns. Supplies provided.

**Knitting for Beginners** – Learn to finger knit. Knitted crafts make great gifts! Instructors will teach beginners to knit simple items that can be given as gifts, donated to a worthy cause or saved in your personal collection. The library will provide yarn and loom. No needles required!

**Unmask Your Natural Awesomeness** – Using natural ingredients, we will make our own skin cleansers, toners and body scrubs. Finished products are great for personal use or make unique gifts.

**Teen Movie Night** – Come see *The Avengers* (PG-13) © Walt Disney Pictures. Free popcorn! For 6<sup>th</sup> grade and up.

**Finale Party** – Come in costume as your favorite superhero and get an extra chance at the grand prized drawing! Make your own superhero mask then take a selfie in our photo booth! Build a super catapult and knock down villains. Play games, eat snacks and celebrate the end of the summer reading program!
